## February's Activities

This February we have had lots of exciting activities with our residents at Fernlea.

We restarted our 'lunch with the residents' session. The residents look forward to spending this time with the children, giving them opportunities to share positive table manners and life stories. The children get very excited to visit the residents and often ask "can we go care home".

Our children visited the residents for valentines day and created cards together for our families. We made valentines cards for the residents in nursery and we handed them out in the care home. The residents also surprised us with their own valentines cards made to share with the children!

Our residents have also started to join us for our French Kidslingo sessions.

We celebrated Lunar New Year with the residents, working together to create our own lanterns.

# Upcoming Events

1<sup>st</sup> March - 31<sup>st</sup> March

**Every Thursday at 10:30am**
