August's Activity Round-Up

August has been full of fun intergenerational activities! We started our month of with a clown inspired craft where we created our own funny looking clowns.

We have enjoyed a few trips to the care home to take part in Song and Rhyme time, the babies loved to sing Tiny Turtle with the residents. We visited the residents and made our own butterflies and owl crafts.

We had our very own sports day, bad weather meant we had to move inside the bistro but that didn't stop us from winning sack races and running about in our egg and spoon race. On national dog day we got visits from our families dogs, the children loved watching the dogs and playing with them in the garden. We enjoyed our Western themed Festival, Fernfest where we danced to some country music with the residents.
