June 2025

## May Activity Round-up

We have enjoyed a lovely sunny May full of fun intergenerational activities.

This May we have taken part in a range of song and rhyme activities including 'what's in the bag?', ribbon dancing and music making. We used the balls in our gym as drums and together incorporated music and movement. The grandbees and little bees joined together to eat their lunch in Fernlea's summer house. During national bee day we all got dressed up as bees and we spent some time gardening with the residents followed by us joining them for their coffee morning. We ended the month with biscuit decorating to celebrate national biscuit day
